MAR 2008

ANOTHER SUCCESSFUL BAR-B-QUE FUNDRAISER! MARCH MEETING RECAP

We had a good turnout at our regular meeting on March 6th with 33 members present, 2 visitors, and there were 13 Past Masters on hand. As usual, the food was great ... if you haven't been to lodge in a while, be sure to come on out - you won't go away hungry!

After minutes were read, a number of petitions were brought to the attention of the lodge brothers. We voted on six and the votes were clear, so we're assured work for the next few months. Call the lodge telephone to check for the latest in work and lodge information!

Bro. John Meetze, our Junior Warden, did a fine job directing the efforts of all the folks who volunteered their time on the weekend of the 8th. I know Bro. John was there for some 36 straight hours, working the whole time. As usual, there wasn't much left over from the more than a thousand halves sold. Stay tuned here for the details of how successful the fundraiser was ... good job Bro. John, lodge brothers, Eastern Star sisters, widows, and all the other folks who may have helped.

Our thanks are extended to Bro. Albert Stoudemeyer, W.B. Darr Taylor, Bro. Ronnie Faircloth, W.B. Gene Swygert, and W.B. Carl Sellers for their work and donation of materials on the underpinning project for Christgate Mission. We received a nice 'Thank You' from them. Also, remember to thank the Audit Committee for their work done on the annual audit - they came back with a favorable report.

Boyleston received \$1000 for rent on the former Richland Lodge building for the first weekend of March as they hosted their second WeeSale consignment sale on the property. It sure helps pay the bills on the former Richland building. This might not be able to continue, though, as ...

We have been approached by a couple groups in regards to the former Richland Building. The committee in charge of handling the building reported on the requests, led by a local lodge which is considering an effort to downsize. So as not to be

hoodwinked in any attempts to sell the property, the committee is having an independent appraiser come to the property and assess its value. The lodge voted its approval of the move, and we'll see what happens next.

Speaking of money and rent, Bro. J.J. Gentry has done a good deal of research into the billboard which sits on our current lodge property. The Lamar company has us tied into a five year contract, one which automatically renews at the existing rate if no action is taken. Unfortunately, we are unable to switch to any other company right now due to this contract issue. J.J. believes we are getting far less than we could be earning on this billboard. We continue to be in discussions with Lamar, and are currently holding two \$1200 checks in the event that we can make a move of some type. More details will be sent out as we learn them...

The 271st SC Grand Lodge is coming up shortly - make plans to attend! This year, the Grand Lodge will meet in Greenville on April 24th/25th. The host hotel is the Embassy Suites Hotel, and the meeting will be held at the same location. Also, the Grand Master is leading a Washington, DC caravan during the week of July 20th - 24th. If you are interested, visit <http://www.scgrandlodgeafm.org/>, then find and click on the link to the caravan flyer - or call Grand Lodge at 808-4377.

We try to keep up-to-date on everything going on, so be sure to check the website (<http://www.boylestonlodge.com>) and/or listen to the answering machine message at the lodge telephone number, 732-3408; updated information on work and goings-on can be found there.

- Many of y'all know that I have had some hoarseness/sore throat issues over the past year to 15 months. Well after a visit to the ENT physician and a scope of my throat, the doctor found an irritated area on one of my vocal cords. He has prescribed a full week of vocal rest for me, so please don't think badly of me if/when I don't speak to you at the next business meeting – my prescribed period of silence is the week immediately following my follow-up appointment and the first Thursday is part of that time frame. Prayers that this can be cleared up without any surgery are appreciated!
