OCTOBER 2018

Hey Everybody!

On Thursday, October 4, 2018 we held our regular business meeting. As always, we had a great meal. After dinner, we discussed correspondence received during the last month, the Secretary gave his reports, and we discussed old and new business. Dispensing of Meeting Minutes for the month of September 2018 were postponed until November for the sake of time. We read the names of four (4) potential candidates for membership, set investigating committees, and voted on two (2) candidates for Entered Apprentice Degree.

Motions that were made from the floor of the Lodge and tabled until the October Business Meeting resumed with the findings of each investigation committee. The first motion made last month was regarding terminating Masonic Relief to one of our Lodge Members. The committee reported that the member of our Lodge was very appreciative of the support given, but that the Lodge could terminate it's giving. The motion passed. The second motion made was regarding the potential for a cap on our yearly Charitable Contributions. The Investigation committee reported that over the last few years, the Lodge has only contributed around \$1,200.00 on average. The motion failed as originally presented. Additional investigation will be conducted by the committee and others to provide supplemental information at the next Business Meeting.

After taking care of business for the month we had the pleasure of listening to another lecture given by Brother LeNair Amick. Brother Amick challenged us to reflect on; "When we become a Mason".
